**競技要項**

Competition guidelines  
English version

# IBEX Convention rules

- Athlete should read carefully all entry rules
- The common sense of the host country is applied to other manners and rules that are not being done in the rules
- Athlete shall be disqualified if there is fraud concerning the competition regardless of willful or negligent
- It is not possible to change the registered department once
- IBEX assumes no responsibility to confirm that each competitor enters the correct department
- If there is a nuisance within the hall, you will leave the venue
- There is no refund of the entry fee
- Entry rights can not be transferred
- All photographs and videos taken by the IBEX staff are entitled to IBEX
- The model must be over 15 years old
- IBEX is not responsible for athletes who do not comply or understand the rules
- No eating or drinking in the competition area
- Prohibition of communication with outside during competition
- Competitors who do not understand English or the language of the host country shall prepare their translators
- The translator should make the athlete understand the rules before the council briefing
- We will conduct a briefing 5 minutes before the start of the game. Competitors must participate without fail
- May do the setting during the briefing
- There is no power supply preparation for all competition desk lights. Please use only rechargeable or desk light which does not require power supply
- After the competition, the athlete who touched the hand of the model becomes disqualified
- The model should not wear accessories on hands and wrists
- The model away from the judge area before the judgment is over will be disqualified
- The decision of the head judge is the final one
- The score sheet will be released on the website later
- All rooms in the hall are prohibited from fires

# 7 Promises for fair judgment

**IBEX** 2018  
INTERNATIONAL  
BEAUTY  
EXHIBITION

Head Judge

Yoshiko Nanbu

1、 I will make all the competition judges a curtain judge

All except for Junior division, hand use competition, art chips contest, all curtain judges

2、 A trusted and proven contest judge will be in charge

Judges who have passed the IBEX Official Auditor Examination and a contest judge regardless of domestic and overseas are asked to have experienced teachers review

3、 In order to maintain fairness, the judges do not enter the competition venue

We will make sure that you do not know exactly who the work to be judged is

4、 In item-by-item review, we will make an uneven evaluation

Instead of judging everything by one person, it will be the examination of each item only, and the total will be the evaluation point

5、 The Audit and Inspection Bureau will be present in the judge room

We will monitor judges and models in the judge room to prevent fraud

6、 It is not possible to touch other examination tables other than the tabulation agency and the head judge.

After completion of the examination, the supervisor will seal up the examination table in the envelope until handed over to the counselor

7、 We will publish the examination score score sheet to the public after holding

In order to improve the transparency of the examination and improve the future skills of the competitor, we will disclose the score of all competitors on our website
